*XING provides advice and support to its more than 18 million members during the upheaval processes in the world of work. In an environment marked by a shortage of skilled workers, digitalization, and changes in values, XING helps its members achieve as harmonious a work/life balance as possible: For a better working life.*

## IT Voice- and Collaboration Engineer (Cisco) (m/f/x)

We ensure that all our internal IT systems run smoothly, including networks, conference systems and applications for communication and cooperation within the company. Communication is key, and as we have offices all over Europe a steady and stable communication environment is the foundation of our daily work. About 15 system administrators and a 1st level team are working with Windows, macOS and Linux to ensure that 1500 colleagues are able to work smoothly.

### A challenging task

- Continuous optimization of our internal Cisco Unified Communication infrastructure.
- Support and orchestration of our internal communication platform.
- Build interfaces to other existing tools.
- Set up guidelines and steady documentations.
- Never take our tools as granted, always look for the better (market research).

### A convincing background

- A degree in computer science or another comparable education in the IT sector.
- Deep knowledge in Cisco-based collaboration and communication infrastructure including. CUCM, Finesse, Meeting Server, Jabber, Expressway and Wowza.
- Deep knowledge in video conference set-ups.
- Fluent English skills, German is a plus.

### An inspiring environment

XING offers a dynamic environment. As well as flexible working hours, you'll have an opportunity to unleash your skills and acquire new ones. We offer a wide range of training courses in addition to German, English and Spanish lessons, regular team and offsite events, and lots of fun. We also provide free drinks and organic fruit as well as a ProfiTicket public transport ticket, restaurant vouchers and travel insurance. And let's not forget the smartphone or iPad that you can use privately. You'll also be provided with a high-end Macbook Pro, and our offices have table football tables. If you're feeling really sporty, we also have great gym deals, and various other benefits....
