New Work SE - for a better working life

We believe in a world of work where people can find their true self and achieve their full potential. NEW WORK SE offers a wide range of brands, products and services for a better working life. This not only makes individuals more satisfied and happier, it also makes companies more successful.

Teamlead - Payment and Billing (m/f/x)

Our international Payment & Billing team consists of business analysts, developers and software test engineers. We closely work with product teams to put together sales models, provide the end-customer payment infrastructure and ensure a smooth billing process. We do this within a complex environment involving a number of internal and external technical interfaces where human collaboration is key to achieving success. Join our team and get involved in lots of exciting new projects.

A challenging task

- Lead an interdisciplinary team with currently five employees
- Build your team and continuously develop each team member
- Lead, inspire, and influence to make sure you do the right things and foster a culture to do the things right
- Collaborate with your key stakeholders (e.g. Product Development teams, Accounting, BI, external providers and Support teams) and actively seek opportunities for collaboration within the company

A convincing background

- A sound understanding of software development from beginning to end and good technical skills to communicate with business analysts, engineers and QA engineers. Ideally you once were at least one of these yourself
- Keen to work with best-practice agile development methods - prior experience in this field is definitely a plus
- Your understanding what it takes to build and maintain a successful application, preferably with hands-on experience
- You're excited about understanding and optimizing technology stacks
- A degree or equivalent is mandatory; a degree in computer science, economics or other similar field would be preferred
- Excellent communication skills combined with fluency in English and ideally also in German

An inspiring environment

New Work SE offers a dynamic environment. As well as flexible working hours, you'll have an opportunity to unleash your skills and acquire new ones. We offer a wide range of training courses in addition to German, English and Spanish lessons, regular team and offsite events, and lots of fun. We also provide free drinks and organic fruit as well as a ProfiTicket public transport ticket, restaurant vouchers and travel insurance. And let's not forget the smartphone or iPad that you can use privately. You'll also be provided with a high-end Macbook Pro, and our offices have table football tables. If you're feeling really sporty, we also have great gym deals, and various other benefits....

If you have any questions please let us know!
