

WE NEED YOU

DATA SCIENTIST (M/F/X)

VIENNA

APPLY NOW

LIFE IS TOO
SHORT TO
SPEND IT AT
THE
WRONG
COMPANY

With over **4.9 million reviews** and **1.4 million salary data points** across 1 million companies, kununu - part of New Work SE has become **Europe's leading employer insights platform**.

We offer you the opportunity to work in an international, technology and data-driven company that has **grown from a Viennese Start Up to a leading digital Scale Up**. In this role, **you will have a high business impact by owning one of the most important B2C Channels** of Europe's biggest employer review platform and manage our whole Email Marketing Management autonomously.

A CHALLENGING TASK

- Organize **modeling experiments** for sharing/reuse in well-formed manners (e.g. Jupyter Notebooks).
- Collect, store, process, and support the **analysis of huge datasets**.
- Take the lead on **building models** to help boost insights value so they can gain traction on the platform (including the automation of machine learning models).
- Work with teams to understand the problems and **develop strategies** to improve or solve them with **machine learning**.
- **Conduct practical research** with a scientific mindset, and a focus on delivery.
- Work with the engineering team to **integrate ML algorithms** into the platform.
- **Scientific and technical publications** are possible and encouraged.

A CONVINCING BACKGROUND

- Good experience with **Python, software engineering concepts, algorithms, data structures and best practice**.

- Experience working with **relational databases** (e.g: MySQL) and **data warehouse systems** (e.g. BigQuery).
- Proven track record of **machine learning projects** and building models for manifold purposes.
- **Automated testing, clean code and code coverage** is just as important to you as **production code**.
- You're into **agile methodologies** and enjoy working in teams with a focus on sharing knowledge.
- Great **English** communication skills.
- Your **eye for details** enables you to meet your high-quality expectations and reach ambitious goals in a role with **high visibility** within kununu - a part of New Work SE.

AN INSPIRING ENVIRONMENT

- We believe that **life is too short to spend it at the wrong company**. That's why we want to empower people to choose the right place to work and aim to create a better workplace for all.
- We are hungry to grow within a **tech- and data-driven environment**. We are the most relevant employer review platform in DACH with aspirations to enter new markets.
- You will find **flexitime, remote work opportunities and a high degree of autonomy** in your daily work
- At kununu - a part of New Work SE, a highly diverse and international crew over **4 locations** consisting out of more than **15 nationalities** awaits you.
- We live an **open and transparent culture**: we offer regular "Ask me anything"-sessions with our leadership team, hold a monthly global company meeting and use kununu engage as an internal feedback tool.
- We offer our employees numerous benefits, that make kununu - a part of New Work SE an even better place to work: **6 weeks of vacation per year**, latest **Apple hardware devices also for private use**, **multiple corporate benefits** (e.g. shopping discounts), **restaurant vouchers, healthy snacks, free coffee & drinks**.
- Want to bring your **dog** to the office? No problem at our Office - **the New Work Base in Vienna**.
- Due to legal requirements in Austria, we are obliged to state the minimum salary for this position. Our salary range for this position **starts at 45.000 €**. Based on your experience and qualifications, our final offer will be a competitive market value-based salary.
